

Baqilodge PRESENTS...

a dream come true...

AMERICAN CHAMPION BLOSSOM HILL AMERICAN DREAM (IMP USA)

"ANIKA"

DOB: 14/1/20

We are so thrilled to welcome our special and first Smooth Collie to Australia. Thank you Mary and Paul Wells of Blossom Hill Collies, California, for this once in a lifetime opportunity. (Our impish girl only allowed us a few candid photos, which you see here). Anika's quarantine stay will conclude early June.

Anika is one of twelve offspring from the partnership of:

**American
Champion
Fantasy's
Bronze Sensation**
"Nick"

Stud Dog Class, 2nd
USA
Collie National, 2004

**American Champion
Blossom Hill Full Circle**
"Cinnamon"

Top Winning Best in Show Collie
(Rough or Smooth) in American Breed History
with 28 BIS All Breeds, and Top Winning Smooth
of All Time with 21 Specialty Best in Shows
and 39 Specialty Best of Variety.
Ending her amazing career with Best Smooth and
BOS to BOB (a Rough) at the CCA National, 2003

Anika's two Smooth sisters, Ch Blossom Hill Dream Keeper and Ch Blossom Hill Dare To Dream also completed their championships by 13 months of age. Three more siblings from the unions of Nick and Cinnamon are already major pointed (1 Rough, 2 Smooths) and seven are expected to gain their American Championships this year.

The prospect of 10 puppies (5 Roughts, 5 Smooths) finishing from a total of 12 speaks volumes for this breeding.

It is prudent to note both Nick and Cinnamon share the same father - the legendary and top producing

Collie of all times in American breed history (135+ champion offspring to date) - CHAMPION FANTASY'S BRONZE TALISMAN (ROM) who also won Best Veteran Dog at the US 2004 National Specialty and at 9 years of age is still placed in the winning Top 20 (national).

Ch Blossom Hill Dream Keeper, at 15 months, and her uncle, Ch Blossom Hill Barely Bronze, (a National Top Ten Winner for the past 4 years and Cinnamon's brother), were two of only six smooths to win an Award of Merit at the Collie Club of America National this year.

PS Anika CONGRATULATES her Rough cousin, CH FANTASY'S FAIT ACCOMPLI (IMP USA), owned by Leah and Barry Ryan, Vedamea Collies, Sydney, on her championship and being the first American imported Collie to gain her Australian title.
