

# BAQILOGGE COLLIES

Thank you, our wonderful *Anika*,

American and Australian Champion Blossom Hill American Dream (Imp USA), and her breeders, Paul and Mary Wells, Blossom Hill Collies, California™.

## 2004 - Anika, the first American Smooth Collie to arrive in Aust.

She is the daughter of Cinnamon, Ch Blossom Hill Full Circle ROM(8) the most successful show collie (rough or smooth) in breed history, and of Nick, Ch Fantasy's Bronze Sensation ROM (23). Both Cinnamon and Nick's father was the celebrated Ch Fantasy's Bronze Tallisman ROM (168) - the greatest collie sire in breed history with 168 American champion offspring. While not campaigned strongly, Anika was no slouch in the conformation ring, with RU-BIS, BiG, BOB's, RUBOB's including specialties (NSW, Tas & Vic). She has a win ratio of 1:3 for ingroup, inshow placements. Her final show, at 8 years of age, was the Victorian Collie Club show where she took Reserve CC, RUBOB and OPEN IN SHOW. She was given the following critique by collie specialist, Linda Robins, USA - "IRCCJ was my open Bitch. What I was especially taken by on this older lady was her sweet-sweet face. I also loved her head detail. Her skull was level, clean and light. She had no depth of head and had very nice head planes. She was just slightly out moved on this day by my Aussie bred bitch". .... "She had one of the nicest eye placement of the show."

A product of ROM parents, and 3 ROM grandparents (in fact 19 ROM ancestors within a 4 generation pedigree), Anika has followed the family tradition of being a great quality producer. From two litters (one out crossed and the other inbred) she reared 13 puppies. Ten are Australian Champions, while each litter produced a Grand Champion. Meet them below. She also has a daughter, Sorell, who is a service dog, while Matilda excelled at obedience.

## 2014 - 10 years later - Am. and Aust. Ch. Blossom Hill Toast of the Town joined us....

After a short campaign with some prestigious wins in California, still a young 12 month old AM CH BLOSSOM HILL TOAST OF THE TOWN (Dennis), a great grandson of Anika's famous mother, packed his bags for Australia and took up residence with Kaelyi Collies in Victoria. Within four months of showing (with a number of weekends off for good behaviour) he gained his Australian title at Sunbury (collecting two royal challenges and a BOB along the way), the same day his brother, Marc, still with Blossom Hill Kennels, took his American Grand Championship. This was also the weekend Allouetta gained the final points for her Grand Championship.

Nov 2013 - Dennis attains his American title

June 2014 - Dennis begins Australian show career, BOB Adelaide Royal and short listed for group. Currently No 7 in DOL point score.

Nov 2014 - Dennis gains his Australian title & Allouetta gains her Grand at Sunbury

We are excitedly looking forward to the next 10 years and all I can say is "thank you" to all who have been a part of this wonderful journey, but especially to Mary and Paul Wells, Blossom Hill Collies; David and Sue Kennedy, Kaelyi Collies; Leah and Barry Tyn, Vedamea Collies, and Jordan Wilkinson and Leanne and Brooke Tinsley of Kgarri Collies.
