

INTRODUCING.... AM CH Blossom Hill Toast of the Town (Imp USA)

“Dennis”

Dennis' Kennel, Blossom Hill, needs no introduction as his Great-grandmother, AM CH Blossom Hill Full Circle, ROM, “Cinnamon”, remains the Top Winning Best in Show Collie (rough or smooth) in Breed History. In 2004, Dennis' aunt, AUS & AM CH Blossom Hill American Dream, “Anika” (USA Import) paved the way for his arrival. Among her accolades is her distinction of being the first AM Champion Smooth Collie imported to AUS. She went on to prove her value by finishing her AUS Championship and becoming Australia's top producing dam finishing 11 Champions from 13 puppies. A number of her get are Sydney Royal BOB winners, Speciality BOB and BIS winners in Vic. Tas., & NSW. Anika's wins, with limited showing, include a BIG, BOB Syd. & Tas. Collie Specialties, and RUBOB Melb. Speciality.

Following in the Blossom Hill family tradition, Dennis finished his American title at 13 months of age with prestigious major wins in strong California Specialty competition under well respected collie judges. In addition to points, he won several BOBs and Select Dog awards. After acclimating to our warm AUS summer, he is ready to start his show career in Victoria. We are so delighted and privileged to welcome this gorgeous dog, with his classic collie virtues, to our breeding and exhibiting program.

Thank you Mary and Paul Wells of Blossom Hill Collies for this grand dog.
